

Krueger's Christmas Tree Farm Professional Photography Policies and Rules

Krueger's Christmas Tree Farm welcomes photography on the farm. However, as a private business and personal property, any and all professional or amateur, non-commercial photographers and their clients must understand and adhere to the following policies and rules. These policies and rules have been established to allow an enjoyable experience for all our guests.

- Professional photography is only allowed before Thanksgiving and after Christmas
(No photography is allowed between Thanksgiving Day and Christmas Eve)
- Photographers must request permission before setting any client dates or arriving at the farm
- Please be sure to plan ahead as it is hard for us to accommodate last minute requests
- **Permission request process:**
 - (1) Print, complete, and sign this form
 - (2) Email a copy to kruegerschristmastrees@gmail.com
 - (3) We will review the request and reply back via email as soon as possible
(Do not call the farm for permission. Only email requests will be considered.)
- Permission is given on a single-day basis. Please complete a separate application for additional days.
- We do not charge for photography shoots. However, we do recommend an at-will donation to our charity box (different recipients each year) and please encourage your clients to consider buying a tree from us.
- We reserve the right to limit the number of photographers on any given day or timeframe
- Parking allowed only in the main parking lot. **Absolutely no vehicles are allowed in the fields at any time.**
- Any use of commercial screens, external power sources, panels, backdrops, props, commercial lighting, or other professional equipment must be detailed in the photography application and pre-approved.
- Photo shoots must not block any farm activities such as paths, trails, equipment, buildings, etc.
- There are no public restrooms available for use
- Do not leave any personal items unattended. We are not responsible for anything lost, broken, stolen, or left behind.
- Respect and be aware of other farm customers and what is going on around you. This is a working farm so there are often tractors, machinery, and other work happening.
- Respect the work and space of other photographers who may be around the farm
- Those not following this policy may be asked to put away their equipment or leave the farm
- Tree farm staff reserve the right to ask you to leave the farm at anytime

I, the undersigned, of legal age, on behalf of myself and the group, organization, or clients I represent ("Photography Group") hereby indemnify and hold Krueger's Christmas Tree Farm harmless for any personal injury, lost or stolen articles or damaged property by anyone using the farm facilities or on the farm premises.
