

# Welcome to Krueger's Christmas Tree Farm!

... A family tradition since 1954...

## “Christmas 2022”

We invite you to select either a pre-cut tree or cut your own. If you have any questions or need help with a tree, please ask one of our crew in the red coats. We'll be glad to help!

### Price Tags On Cut-Your-Own Trees

We tag a limited number of trees each year. This ensures that we have a steady supply for future years. Factors such as heat, drought, frost, & hail can affect the number of trees available to harvest each year. A lot can happen over the 8-10 years of growing a tree! We plant more & more trees each year to help offset some of these factors.

### Cut-Your-Own Trees

The field maps show the locations & tree types available this year.

We have saws & large sleds available to use. The furthest possible field is ~1/4 mile away. For safety reasons we don't allow customer vehicles or power tools/saws in the fields.

PLEASE ONLY CUT TREES WITH PRICE TAGS!

Fields close at 4:30pm daily for safety reasons. No exceptions.

### Pre-Cut Trees

We have a wide selection of pre-cut trees available. There are up to 250 trees displayed in the sales area up to 10'+ tall.

We sell several different species, including Balsam Fir, Fraser Fir, Canaan Fir, Scotch Pine, & White Pine.

We also have a limited quantity of new exotic species (Korean & Siberian Fir).

### Complimentary Activities & Services (included with your tree purchase!)

- Tree Baling/Wrapping
- Tree Stand Drilling
- Boughs/Branches
- Custom annual ornament
- Tree Tying On Your Car
- Use Of Hand Saws
- Tree Shaking
- Hot Cider
- Campfire
- Tootsie Rolls
- Fresh Cuts
- Use Of Sleds
- And Lots Of Fun!

### Are Dogs Allowed?

Yes! We welcome dogs, but please keep them on a leash, pick up after them, and keep them out of the warming house.

### Environmental Stewardship

We strongly believe in the need to enjoy & protect our natural environment. We choose to operate our farm as sustainably & impact-free as possible. For example, we use mulch around each tree to limit the use of chemicals & irrigation. We also give financial contributions to numerous environmental causes.

### Tree Reservations

All customers must have a pre-arranged reservation. The registration link is on our website. This helps balance the volume at the farm and reduces crowds, waiting in lines, & increases safety.

**Cut-Your-Own Trees:** Reservations are required all season.

**Pre-Cut Trees:** Reservations are required all season. We continually bring out new pre-cut trees so you get the same quality of selection over most of the season.

### Other Items For Sale

- Garland/Roping (25' lengths)
- Tree Stands (S, M, L, XL)
- Tree Bags
- Red-Twigged Dogwood
- Hand-Decorated Wreaths
- Undecorated Wreaths
- Spruce Tops

### TREE PRICES

Each tree is priced individually based on:

- \* Specie
- \* Height
- \* Shape

### What is a TREE ID?

Every tree for sale has a random & unique "Tree ID" on the price tag. It's used to match your tree with the 2-part tag in the tie-on area. Instead of a serial "number" we use a "name".

The names are famous or notable people throughout history... athletes, scientists, explorers, artists, civil rights leaders, inventors, heroes, etc.

**Who did you pick this year?!**

Google the name to learn more!

... Ask us about a farm tour field trip for your school or youth group...

### Tree Prices

We price the trees individually based on the height, specie, and overall quality of the tree. The prices for most trees range from \$10 – \$14 per foot (plus tax). Frasers and other trees 9' and higher will be more per foot as these trees take much longer to grow to maturity.

### About The Farm

Our farm is a 4<sup>th</sup> generation Christmas tree farm. Our family has been farming this land for over 100 years (1916). We have been supplying quality Christmas trees & great customer service to Twin Cities area families since 1954.

We are proud to have such a long history & future with this land. We have developed a strong connection & respect for the land, the environment, & the community.

Thank you for being a part of the farm!

- The Krueger Family

### Can We Shop After Dark?

Yes! We have a large lighted display area of up to 250 pre-cut trees.

**The cut-your-own fields are closed at 4:30pm daily for safety reasons. No Exceptions.**

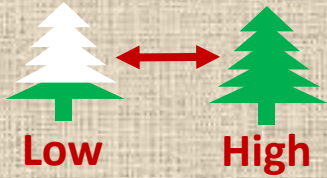

### Seasonal Hours:
